When have you been blessed by someone's generosity?

**Question 2:**

What impact has generosity had on your life?

**Question 3:**

Generosity is a measure of your heart not your possessions. How is your spirit of generosity at the moment?

**Question 4:**

---

God has lavished his generosity on us. How have you seen God's generosity recently?

**Question 5:**

God calls us to generosity and provides for us when we live this out. How can you give generously in your heart and through your actions?

**Question 6:**

---

When you're generous, you are not giving to people, you're giving to God. What will your generosity look like this week?
